

## 8. Itsy Bitsy Spider

        
The it- sy bit- sy spi- der

       
climbed up the wa- ter- spout.

     
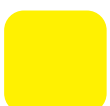

Down came the rain,

       
and washed the spi- der out.

     
Out came the sun,

       
and dried up all the rain.

        
And it- sy bit- sy spi- der

       
climbed up the spout a- gain.
